- The information and estimated timing indicated above are correct at time of publication. Availability and timing are subject to change without notice. Acceptance of an order by Ford Motor Company does not constitute a commitment to build or a guaranteed delivery date.
- Due to varying demand, the fleet final order due date may change with little or no advance notice. Every effort is made to accurately estimate the lead times, and reflect longer lead times of specific commodities.
- For larger accounts it is recommended that ordering needs are discussed in advance with Ford.
- For ship thru orders, please check with your upfitter and add extra build/transit time to the Ford lead time for a more accurate OTD estimate.
